

# Education India Summer School

**Social Health & Education Summer School  
Pravara Institute of Medical Science  
Loni, Maharashtra  
24 July- 23 Aug 2025**

Students taking part in the Social Health & Education Summer School will learn about social health and development in India and get the chance to visit rural health centres as well as local schools. This is a once in a lifetime opportunity to experience an authentic Indian community and culturally rich way of life.

**Eligible participants:**

Allied Health, Nursing & Midwifery, and Education students on any level.

**Program fee: \$1,200 USD excluding flights**

The fee includes: airport pick up in India, board and lodging within Pravara's campus, and tuition

Financial support is available from the University of Worcester to cover the cost of the program fee

**Application deadline: 1st of March**
